Description...
On Wednesday, July 5th, Governor Inslee signed a Paid Family and Medical Leave law with strong bipartisan support. The new state law, one of the most expansive in the country, provides for a total of up to 18 weeks of paid leave to employees who work in the State of Washington. This webinar will cover everything that long-term care employers operating in Washington need to know about the new law including which employers and employees are covered, reasons for leave, length of leave, benefit amounts, premiums, and effective dates. *Followed by Q&A*
