

**Rising Acuity in Assisted Living—  
Provider Trends**

**Go To Meeting Webinar**

**Speaker: Liz Jensen, RN, MSN, RN-BC**

*Direct Supply, Inc.*

**TRAINING: DATE & TIME:** Wednesday, January 17th \* 1:00 —2:00 p.m. Pacific

**Dial-In Details:** will be emailed two days prior

**DESCRIPTION:**

**Assisted living** providers across the country—from large corporations to smaller, independent communities are responding to this expanding need in different ways. **Many are asking “what am I capable AND willing to provide to meet the changing needs of my residents”?** Answering these questions are driving providers to offer new services and to evaluate their existing business models to accommodate for this new focus. This session offers attendees trends and ideas from working with hundreds of providers across the country---**insights into changing care delivery models**, developing inter-professional community networks, addressing frailty, implementing assistive devices to reduce resident and caregiver injury, adding short-stay services for post-operative care and a framework for chronic disease management to reduce hospitalizations and more will be explored.

**Who Should Participate?**  
**Assisted Living & Skilled Nursing  
CEOs and Administrators**  
**YOU are the Management  
“Change Agents”!**

- LEARNING OBJECTIVES**
- Examine how assisted living providers across the country are responding to the changing acuity needs of residents.
  - Explore trends in programs, products, capabilities and services to meet rising acuity in assisted living.
  - Identify resources and tools available to manage the risk associated with providing a different level of care for residents.

**REGISTRATION INCLUDES:** Materials and 1 DSHS credit

**FEES:** LeadingAge Member \$49
